

September 2019 From the Principal's Desk

Dear Lincoln Parents and Families,

The calendar has turned to September, which means the Morton Pumpkin Festival is just around the corner! In fact, it starts a week from Wednesday! There is always a buzz and excitement in the air at school during Pumpkin Festival Week. It's one of my most favorite memories of growing up in Morton! I hope you and your family enjoy a memorable Pumpkin Festival together!

September also brings two PTO activities-our annual New Family Dinner and our 10th Annual Lincoln Lion Walk-a-Thon! First, our annual New Family Dinner will be held on Monday, September 9th at 6 pm. Our PTO hosts this dinner and invites all new Lincoln families to have dinner at school. We'll enjoy some pizza together, introduce our PTO Board and take a brief tour of the school before the monthly PTO meeting, scheduled for 7 pm. All parents are invited to attend our PTO meeting; child care is provided during the meeting. We hope to see many of our new families at the dinner!

This month also marks the 10th Annual Lincoln Lion PTO Walk-a-Thon. We kicked off our Walk-a-Thon activities with the kickoff assembly last Thursday. I hope you've had a chance to review the information in the white packet which came home with your child last Thursday. We have a lofty goal this year-\$43,000! (We raised just over \$42,000 last year). These funds will help provide our students, teachers and school with a wide variety of materials, programming and activities throughout the school year. We have a dedicated team of parents who are organizing our Walk-a-Thon efforts; you can read more about it further on in the PTO section of the newsletter.

*This week will be our first Early Dismissal Wednesday of the school year. Remember that school is dismissed for all K-6 students at **11:55 am** on the first Wednesday of the month. (This is a change from the 1:10 pm dismissal time last year!) As a special treat, Kona Ice will be at school each Wednesday on our early dismissal days and will be available for purchase. Our Lincoln School activity fund will receive 20% of our monthly early dismissal sales.*

Online sign up forms for Parent Teacher Conferences will be sent out later on this month. We will post on Facebook and send out an email message as to the specific day and time that the sign up forms will be made available on line to all families. Just a reminder that Parent Teacher Conferences will be held on Thursday, October 17th from 8 am to 7 pm and Friday, October 18th from 8 am to noon. Mark your calendars!!

Coming up next week is our annual tribute to honor and remember the events of September 11, 2001. Each year, we host a Patriot Day Assembly to honor the memory of those lost on that tragic day in American history. This year, we again hope to include the many parents, grandparents and extended family members who have served/are serving in the military or are/were First Responders. Please refer to the message which was emailed home and posted to our school Facebook page on Wednesday, 9/4, and included in this newsletter. We look forward to having those heroes join us at 9 am on 9/11 as part of our assembly. Please be sure to contact me (284-4010 or Julie.albers@mcusd709.org) if you plan to attend and be a part of our special assembly).

The 2019-2020 school year is off to fantastic start. Our students are getting settled in to their new school routines and expectations, while teachers and staff members are getting to know their students. This school year is going to be a memorable one! Thank you for all you do to help our teachers and support your children. Enjoy the Pumpkin Festival...and we look forward to seeing you soon!

A Message from Mrs. Michelle Peterson, Assistant Principal

Hello, September! We have had a wonderful start to the school year and the fun will continue into fall. We will focus on acting with kindness over the month of September. I can't wait to read Be Kind by Pat Zietlow Miller to all of our classes. The Walk-a-thon is right around the corner and we can't wait! I think we are all ready for fall weather and the leaves to turn. Enjoy the Pumpkin Festival and thank you for your support of Lincoln School.

Keep the Car Line Moving at Morning Drop Off

If you are one of our many parents who drop off your child each morning, you know that the drop off line can be a frustrating time, especially on days that it is raining! Please help us ensure the safety of all by following these

procedures each morning:

-PULL YOUR CAR UP TO THE FAR SIGN, EVEN IF THERE IS NO ONE BEHIND YOU. This is usually the biggest reason that our drop off line gets bogged down. By pulling your car all the way to the far sign (to the fence), it allows more cars to come through the drive and drop off students.

-STUDENTS SHOULD EXIT FROM THE PASSENGER'S SIDE, NOT THE DRIVER'S SIDE. It is not safe for children to exit from the driver's side into the passing car traffic. This also forces children to walk between cars to get to the sidewalk and enter school.

-DO NOT PUT YOUR CAR IN PARK AND GET OUT TO ASSIST YOUR CHILD LEAVING THE CAR. This

again significantly slows down the drop off line. If you want to help your child out of the car, give him/her a kiss or a hug, assist with getting a bulky item out of the car, please pull into a parking spot and assist your child there.

-DO NOT DROP OFF YOUR CHILDREN ON NEBRASKA AVENUE AND EXPECT THEM TO CROSS THE CIRCLE DRIVE TO ENTER THE SCHOOL. Some parents think that they can avoid the hassle of drop off by letting kids out on Nebraska and having them walk into the school by crossing in front of all of the traffic. Again...drivers are not looking for students to be crossing and children have to cross between cars to get in the building. While it's more convenient for the driver, it ends up slowing down the car line for everyone else.

-FOR THOSE PARENTS WHO PARK THEIR CARS AND WALK THEIR STUDENTS INTO THE BUILDING: Please make sure that you look and wait, if needed, before crossing in front of the cars. Don't just immediately cross, thinking that drivers see you and will stop. (This isn't Kroger or Wal-Mart where people walk out of the store and into the crosswalk without looking at the cars!) Be aware of the cars, drivers and students when you are crossing with your student.

We greatly appreciate your help to ensure a safe, stress free and hassle free morning drop off for EVERYONE! Or at least significantly reduce the stress of the drop off line! Another way to do that...arrive earlier. Our doors open and student supervision starts at 7:45 am. The drop off line is significantly shorter from 7:45-8 am than it is after 8 am. If you can make that work for your family, then you might have time to grab that special coffee or treat on your way to work or before your return home!

Patriot day assembly to be held on WEDNEsday, 9/11 at 9 am

Our annual Patriot Day Assembly will be presented on Wednesday, 9/11, starting at 9 AM. As you may have previously read, we are inviting our parents, grandparents and extended family members who are/were members of the Military or who are/were First Responders to join us at our

assembly and allow our students and staff to honor them for their service and sacrifice to keep us safe from harm. If you would like to join us, please don't hesitate to contact Ms. Albers by calling her at 284-4010 or emailing her at Julie.albers@mcusd709.org. We hope many of our military and First Responders will be able to join us for our assembly!

A FEW OF OUR NEW STUDENT SIGNS ARE STILL MIA!!

Remember those fun, cute "Welcome our Newest Lion" signs which we placed in the yards of our kindergarten students and all of our new families last month?

We are still missing a few of them...approximately 30 of them! We have collected some of the signs (many had already been returned to us...thank you for bringing them in!), but still need to get them all collected! Have we missed your sign during our collection?

Did you move the sign at your house when the lawn was mowed and didn't put it back? Please let us know if you still have our sign...we will be happy to come pick it up...just let us know your address and we will pick it up!!

Kindergarten parents: We still need a few more of those Letter Factory DVDs returned as well! Thank you to those of you who have already returned those to the office.

DEADLINES FOR PHYSICALS AND IMMUNIZATIONS QUICKLY APPROACHING!

If you have not turned in your child's school physical or update immunizations (depending on grade level), please remember that Tuesday, October 15th is the deadline for that information. In the past, Morton CUSD 709 has accepted appointment cards and notes regarding future appointments after the

October 15th deadline. Our policy has changed in that we will NO LONGER ACCEPT APPOINTMENT NOTES OR CARDS in lieu of having physicals and immunizations turned in by the October 15th deadline. If you have any questions, please contact Nurse Annette

Kelso at 284-4038 or

Lincoln.nurse@mortoncusd709.org.

Meet our School Social Worker, Mrs. Molly Winkler!

As a new member of the Lincoln family, it has been absolutely fantastic to get to know your students over the last three weeks. In an effort to communicate my role as a School Social Worker, the School Psychologist, Mrs. Kerber-Long,

and I visited each classroom to introduce ourselves. In Kindergarten and First grade, we created a "Feelings First-Aid Kit" to show how we can help in a time of need. In grades 2nd through 6th, we invited students to participate in a family feud style game based around our roles here at Lincoln. Overall, we had a lot of fun and my hope is that each student walked away with a greater awareness of the type of social emotional support that is available to them here at school. As we look forward to our first full month of school, Mrs. Kerber-Long and I will begin providing character education lessons on a monthly basis to all classrooms. In September we will focus on the power of kindness. I will also provide additional support through individual and small group counseling/social skills lessons as well as behavior and crisis management to those who demonstrate a need. Please feel free to contact me if you see that your child is facing a challenge that I can help address. I look forward to meeting and working with you all at various events throughout the school year!

Monthly Schoolwide Themes and Administrator Read Alouds

For the 2019-2020 school year, we
have identified common monthly themes
which we will focus on each month.
During the month, Ms. Albers and Mrs.

Peterson will each share a read aloud
with every K-6 classroom which will be
related to the schoolwide theme. At
our monthly morning assemblies, we will
share ideas and ways in which our
theme can be incorporated into our
daily school lives. In addition, our
school social worker and school
psychologist will visit classrooms
monthly and share lessons related to our
monthly theme! We are excited for
this new initiative at Lincoln this year!

For September, our monthly theme is
KINDNESS, and we will discuss and
learn ways in which we can show
kindness to others. It seems like such
a simple and easy thing to do! We
kicked off our discussions at our
monthly morning assemblies on Tuesday
(K-3) and Wednesday (4-6) this week.
This month, Mrs. Peterson will read
the book *Be Kind* to all classes, while
Ms. Albers will read the book *The
Invisible Boy*. Both books have a
theme of kindness and we are looking
forward to the discussions we'll have
with students while sharing these
books.

September Lincoln Literacy!

Hello, Lincoln Lions! I am Olivia Gabbert, your Lincoln Literacy Coach. I will be working with your child's teacher on all things reading and writing! I taught first grade for 14 years, and finished my first year of coaching last year. I have my Masters in Reading from Illinois State and am currently working on a second Masters in Curriculum and Instruction. Each month, I'll be giving you tips and tricks to help make your child's experiences with reading and writing a positive one! If you ever have any questions please email me at olivia.gabbert@mcusd709.org.

RHYME TIME!

PHONEMIC AWARENESS is the ability to hear and manipulate sounds in words. Having a **STRONG** phonological awareness is a precursor to being a **STRONG** reader! Here are some activities you can do to help promote phonemic awareness on the car ride to your home or after school activities:

I SPY

Say, "I spy something in the car that begins with /s/." Let your child guess the object. For /s/ it might be seat or seat belt. Take turns being the caller and the finder. Make it more challenging, and say, "I see something that rhymes with _____".

COUNT THE WORDS 12345

Have your child make two fists. Say a sentence and then have your child say it with you. As each word is said, tell your child to put up one finger. Count how many words are in the sentence. This activity helps your child build an awareness of words.

CLAP THE SYLLABLES

Clapping is a fun hands-on way to determine parts (syllables) of a word. Say a word and have your child clap the parts of the word.

LISTEN TO MUSIC...THEN CREATE YOUR OWN PARODY

My kids LOVE this one! We use songs we know and make up our own words, with an emphasis on rhyming. We change the topic of the song to something we think is funny/entertaining.

PLAY WITH BEGINNING SOUNDS

Have your child name something they see outside their window. Repeat the word and ask, "What sound do you hear at the beginning of _____?" Then, say the word again and let your child respond with the correct beginning sound.

Walk-A-Thon is our school's largest fundraiser with all fundraising monies directly benefitting our students and staff! All funds raised this year will go towards the purchase of lockers for our 3rd and 4th graders; an all school art mural, and the possible creation of a walking path for everyone's use around Lincoln School property. *Most importantly*, these fundraising monies will be used to help continue to support and fund our current PTO programs at Lincoln School! These programs include teacher classroom requests, Artistic Adventures, Mystery Science, Family Fun Events, Junior Achievement, Technology purchases, Carnival and SO MUCH more! **Our 2019-20 goal is to raise at least \$43,000 in order to purchase these new items and keep our current PTO programs available!** (We know we can do it since last year, we raised \$42,125!)

Each year for Walk-A-Thon, our Lincoln School students walk, run and just have fun in an effort to earn the donations they have collected from family & friends! As parents, grandparents and guardians you are invited to walk with your child(ren) to make it even more fun and meaningful! A walk schedule will be sent home prior to Friday, September 27th for your reference!

Once again this year, each student and staff member will be receiving a Walk-A-Thon t-shirt which will be given to the students on the morning of the Walk-A-Thon. To make turn-in day on **Friday, September 20th** run smoothly, please help by recording all donations on the donation form and placing all donations into your child(ren)'s envelope and have them RETURN TO THEIR CLASSROOM TEACHER by **Friday, September 20th**.

We are so appreciative of your efforts and support on behalf of Lincoln School! If you have any questions, please feel free to contact Stacy Litersky at salitersky@gmail.com or Bonnie Ricci at bonnie.ricci@ymail.com.
