

Lincoln parents/guardians:

Hello! We have started a Google Classroom for PE to help kids stay active during this school closure. Please follow the instructions below to help your child join our class. The main goal for PE in this distance learning environment is the same goal that we have for PE when we are in school...to move and to have fun!

1. On your child's iPad, go to the Google classroom app (icon above).
2. Tap the plus sign in the bottom right corner and enter your students grade level code (see grade level codes below).
3. Then click "join" in the top right corner.
4. If you see the Lincoln PE - Distance Learning classroom page (with grade level listed underneath), you are good to go!

Lincoln PE - Distance Learning

5th

Example:

Grade level codes:

Kindergarten: 6xy7cd2

1st Grade: hdmciam

2nd Grade: uix7as3

3rd Grade: eazefbj

4th Grade: gpcmcgt

5th Grade: n52adjm

6th Grade: fdc4eje

*If you are having trouble or have questions please don't hesitate to email us.

We are here to help!

Thanks!
