MORTON GAMEBALL RUN OSF CHILDREN'S HOSPITAL OF ILLINOIS

- OSF Children's Hospital of Illinois is the largest hospital just for kids in the state of Illinois outside of Chicago & is one of the very best in the US
- Over the past 8 years, Gameball fundraising has raised money for both intensive care units at Children's Hospital, the intermediate care units (where there's a room named for Morton Gameball Run) and Almost Home Kids facility in Peoria - a home that provides transitional care for children with complicated health needs and respite care where the outside courtyard has been named in Morton Gameball's honor.
- Morton Gameball Run is currently helping to raise money for Children's Hospital's newest addition, the Heller Center for Kids with Cancer. This center is one of a kind in the United States and is helping kids and their families who are diagnosed with cancer survive beyond treatment. The Heller Center's programs are designed to provide patients and families with the critical, non-medical tools that best support them through and beyond the cancer journey.
- Living in Morton, we are all so fortunate to have Children's Hospital of Illinois so close to help with whatever medical condition we might have!

- In 2020, Gameball Run raised a record breaking \$133,051
- Lincoln School raised \$13,026.02 of that total!
- In 8 years of Gameball Run, we've raised \$606,000
- Can we break our record this year?

HUDSON CHAN

We are so excited to have 1st grader, Hudson Chan, his sister Brooklyn and their parents, Mr. & Mrs. Chan represent Lincoln School this year as our Miracle Family!
