

Want To Play Chess?? Join the Lincoln Chess Club!!!

A growing body of research is showing that chess improves kids' thinking and problem-solving skills as well as their math and reading test scores. Come play and learn the "game of kings" with us!

The Lincoln Chess Club welcomes students of every ability level, from complete beginners to accomplished grand masters. Everyone will learn new strategies and have fun.

Space is limited to 20 students in 4th - 6th grade. We will only meet when school is in session.

Please feel free to contact me with any questions:
