Dear Lincoln Parents and Families,

- Planning is underway for the 2022 Fine Arts Day for Lincoln Elementary School. And we are looking for your help and talents!
- What is Fine Arts Day? It's a schoolwide event held every other year designed to expose our students to the visual and performing arts. Due to school closure in 2020, we were not able to have Fine Arts Day. For many of our students, this will be their first experience of this wonderful Lincoln tradition!
- When is it? This year our Fine Arts Day is scheduled for **Friday, May 6<sup>th</sup>**. During this day, the students will be able to rotate through at least 4-5 different sessions and learn about various types of arts, getting hands on experiences and learning from talented adults.
- We have a teacher committee who works closely to plan this fun day! However, we need the help of many talented parents and presenters who can help to make our day memorable! Maybe you have a talent or skill that you can demonstrate and share with our students…play an instrument? Design jewelry? Is painting or sketching your thing? Do you have a family member who has a special talent? Dance and performing arts? Then we need you!!
- Please take a moment to fill out the form below and return it to school with your child by **March 25th.** After we have collected the forms, the committee will be in contact with you to finalize a schedule and give you more details. Feel free to call or email me julie.horchem@mcusd709.org for more information.

*Thank you in advance for your support,*
*Julie Horchem*

**Please return the form below if you are able to help in some way!**
